

Conference in the honor of Professor Ravi P. Agarwal

Mathematics and Informatics Faculty, OVIDIUS University of Constanta

PROGRAM

Friday, 10 July, 2015

12.00-12.50

Ravi P. Agarwal

Birth, growth and computation of pi to ten trillion digits

12.50-13.00 Coffee Break

13.00-13.30

M. Marin, Ravi P. Agarwal and I. Abbas

On existence, uniqueness and continuous dependence of solutions in elasticity of microstretch bodies

13.30-14.00

Dumitru Băleanu

Fractional Calculus: Theory and Applications
